PROFESSIONAL SERVICES AGREEMENT

THIS AGREEMENT (the "Agreement") is hereby entered into between Ad Valorem Solutions, LLC, with office at 506 E. North St., Kokomo, IN 46901 (the "Contractor") and the County Assessor, with office at 125 N. Monroe Street, Suite 3, Williamsport, IN 47993-1196 (the "Assessor").

1.0 General Undertaking

The parties are entering into this Agreement to establish a relationship whereby Assessor is commissioning Contractor to perform certain general consulting services and to deliver certain written findings and recommendations specified in the attached Statement of Work (collectively, "Sales Validation").

2.0 Term of Engagement

This Agreement shall commence on the date last below written and, unless terminated earlier in accordance with Section 7 ("Termination") shall continue in full force and effect until the Statement of Work is completed according to its terms. Termination shall have no effect on Assessor's obligation to pay the applicable labor rate or an equitable portion of any Fixed Price for Services that are rendered prior to the effective date of termination.

3.0 Nature of Engagement

Contractor is being hired on a Fixed Price basis to perform the Services and provide the Deliverables according to specifications described in the Statement of Work (the "Sales Validation"). Any changes to the scope of work shall be subject to a written Change Order that includes an appropriate adjustment to the price, delivery dates or a notation that no such adjustments are necessary. If the parties cannot agree on the characterization of an item as "out-of-scope," Contractor shall fill the request without prejudice to its claim for reasonable compensation. Unless otherwise stated, all work schedules shall be considered reasonably accurate estimates, subject to revision.

4.0 Price & Payment

(a) Price. The Services and all Deliverables described in the Statement of Work are provided at a firm fixed price of Three Thousand Five Hundred Dollars (\$3,500.00). The price includes Contractor's wages, overhead, general and administrative expenses and all other indirect costs and profit to be recovered or charged under this Agreement.

Contractor shall pay its personnel at least the minimum wage applicable to each labor classification.

(b) Invoices. The price for all Services shall be invoiced in two equal invoices.

(c) Payment. Payment shall be made within thirty (30) days after date of invoice. Assessor may not withhold or "setoff" any amounts due hereunder and Contractor reserves the right to cease work without prejudice and assert appropriate liens if amounts are not paid when due. Assessor shall execute any required financing statements.

(d) Out-of-Pocket Costs. Except as otherwise set forth in this Agreement, prices quoted for Services include Contractor's reasonably anticipated out-of-pocket costs for travel. Any extraordinary expenses shall be subject to good faith negotiation by the parties.

5.0 Non-circumvention

During the Term and for a period of one (1) year thereafter, Assessor agrees not to hire, solicit, nor attempt to solicit the services of any employee or subcontractor of Contractor without the prior written consent of Contractor. Violation of this provision shall, in addition to other relief, entitle Contractor to assert liquidated damages against Assessor equal to one hundred fifty (150) percent of the solicited person's annual compensation.

6.0 Notices

Notices sent to either party shall be effective when delivered in person or transmitted by telecopy ("fax") machine, one (1) day after being sent by overnight courier, or two (2) days after being sent by first class mail postage prepaid to the address on the first page hereof or such other address as a party may give notice. A facsimile of this Agreement and notices generated in good form by a fax machine (as well as a photocopy thereof) shall be treated as "original" documents admissible into evidence unless a document's authenticity is genuinely placed in question.

7.0 Termination

This Agreement shall terminate upon expiration of the Term described in Section 2 ("Term of Engagement"). In addition to other relief, either party may terminate this Agreement if the other party breaches any material provision hereof and fails after receipt of notice of default to correct such default promptly or to commence corrective action reasonably acceptable to the aggrieved party and proceed with due diligence to completion. Either party shall be in default hereof if it becomes insolvent, makes an assignment for the benefit of its creditors, a receiver is appointed or a petition in

Bankruptcy is filed with respect to the party and is not dismissed within thirty (30) days. Termination shall have no effect on the parties' rights or obligations under Section 5 ("Non-circumvention").

8.0 Independent Contractor Status

Each party and its people are independent Contractors in relation to the other party with respect to all matters arising under this Agreement. Nothing herein shall be deemed to establish a partnership, joint venture, association or employment relationship between the parties. Each party shall remain responsible, and shall indemnify and hold harmless the other party, for the withholding and payment of all Federal, state and local personal income, wage, earnings, occupation, social security, worker's compensation, unemployment, sickness and disability insurance taxes, payroll levies or employee benefit requirements (under ERISA, state law or otherwise) now existing or hereafter enacted and attributable to themselves and their respective people.

9.0 Security, No Conflicts

Each party agrees to inform the other of any information made available to the other party that is classified or restricted data, agrees to comply with the security requirements imposed by any state or local government, or by the United States Government, and shall return all such material upon request. Each party warrants that its participation in this Agreement does not conflict with any contractual or other obligation of the party or create any conflict of interest prohibited by the U.S. Government or any other government and shall promptly notify the other party if any such conflict arises during the Term.

10.0 Insurance, Indemnity

Each party shall maintain adequate insurance protection covering its respective activities hereunder, including coverage for statutory worker's compensation, comprehensive general liability for bodily injury and tangible property damage, as well as adequate coverage for vehicles. Each party shall indemnify and hold the other harmless from liability for bodily injury, death and tangible property damage resulting from the acts or omissions of its officers, agents, employees or representatives acting within the scope of their work.

11.0 Miscellaneous

This document and the Statement of Work attached hereto constitute the entire and exclusive agreement between the parties with respect to the subject matter hereof and supersede all other communications, whether written or oral. This Agreement may be

modified or amended only by a writing signed by the party against whom enforcement is sought. Except as specifically permitted herein, neither this Agreement nor any rights or obligations hereunder may be transferred or assigned by Assessor without Contractor's prior written consent and any attempt to the contrary shall be void. Neither party shall be liable for delays caused by events beyond its reasonable control. Any provision hereof found by a tribunal of competent jurisdiction to be illegal or unenforceable shall be automatically conformed to the minimum requirements of law and all other provisions shall remain in full force and effect. Waiver of any provision hereof in one instance shall not preclude enforcement thereof on future occasions. Headings are for reference purposes only and have no substantive effect.

The Contractor shall indicate on the sales disclosure any splits or combinations that were caused by the sale of the property. The Assessor shall be responsible to take special care in entering the sales disclosure information on the proper parcel.

If either the sales disclosure information or the property record card is not correct an invalid code shall be used and a reason why the sale is invalid shall be indicated. The Contractor and the Assessor shall determine validity codes to be used throughout the extent of this contract.

If in reviewing the property record card the Contractor finds errors or omissions, the Contractor shall indicate the corrections on the property record card.
